Why Choose the Splendid 2 Cut Pile Carpet?

The Splendid 2 Collection redefines luxury flooring with its exceptionally soft yarn and dense cut pile design. Featuring a substantial weight of 2000 GSM and a plush thickness of 10-11mm, it offers a cloud-like, comfortable feel underfoot without compromising on structural integrity. Whether you are an interior decorator designing a lavish residential space or outfitting a premium executive lounge, this carpet delivers a cinematic, highly realistic finish that elevates the entire aesthetic of the room.

Engineered for longevity, the Splendid 2 features a robust woven backing that ensures excellent dimensional stability and wear resistance over time. Its generous 13.2 ft width is specifically optimized for seamless wall-to-wall installations, minimizing visible joints and providing a flawless, unified look across large areas. Upgrade your interiors with a versatile carpet that perfectly balances heavy-duty performance with premium, touchable softness.

THE DIFFERENCE

Why Splendid 2?

01 Ultimate Underfoot Comfort

Crafted from premium soft yarn with a plush 10-11mm thickness, this cut pile carpet provides a luxurious, cloud-like feel that transforms any room into a cozy retreat.

02 Premium Density & Quality

Featuring a heavy 2000 GSM weight, the dense pile surface resists crushing and matting, maintaining its highly realistic and premium look for years to come.

03 Enhanced Structural Stability

Engineered with a robust woven backing, this carpet ensures exceptional dimensional stability, preventing stretching, wrinkling, or wear over time.

04 Seamless Wall-to-Wall Finish

The generous 13.2 ft width is specifically optimized to minimize seams during installation, delivering a flawless, unified appearance across large residential or commercial spaces.

05 Sophisticated Aesthetic Appeal

The elegant cut pile design offers a refined, cinematic finish that seamlessly complements both modern and classic interior decor themes.

06 Versatile Application

Perfectly balanced for both comfort and durability, making it an ideal flooring solution for master bedrooms, executive offices, and premium hospitality lounges.

GOOD TO KNOW

Frequently Asked Questions

What is the thickness and weight of the Splendid 2 carpet?

The Splendid 2 carpet features a luxurious 10-11mm thickness and a high-density weight of 2000 GSM. This combination ensures exceptional softness underfoot while maintaining long-lasting durability.

Is this carpet suitable for seamless wall-to-wall installations?

Yes. The carpet is manufactured with a generous 13.2 ft width, which significantly reduces the need for joints and seams, making it perfect for clean, continuous wall-to-wall installations in large areas.

Expert Installation & Maintenance

Installation Recommendations

- Professional Installation: Our Cut-Loop Pile Wall-to-Wall Carpets require professional installation for perfect pattern alignment.
- Underlay: Install over high-density PU/EPE foam for maximum lifespan and soundproofing.
- Seamless Pattern: The generous width ensures patterns align perfectly during fitting.

Easy Care & Maintenance

- Routine Vacuuming: Twice weekly with a rotating brush to lift cut pile fibres.
- Spot Cleaning: Immediately blot spills. Quality yarn is designed for easy cleaning.
- Deep Clean: Professional steam clean every 12–18 months for commercial use.
